Meanwhile, we would also like to share some updates about our Silvana project. A total number of 191 units are under various stages of Construction. Some Clients have registered their respective units and some have commenced their interior works. Clients who have completed Interiors works have performed "Housing Warming Ceremonies" and are ready to move into their new homes during August or early September.

The Club House Structural work is completed and the Architectural Works and painting works are under progress. The Road Works, U-Ditch drain works, electrical, plumbing and other Infrastructure Works have picked up an interesting pace and the club house is Likely to be ready for inauguration by early October.

Rajshekar, Akhila and Amogh Desurkar

Further to, one of our valued customer Mr. Rajshekar, has sent in his views and experience in dealing with Pruksa. Pruksa appreciate the time and effort he has taken to write this to us. Mr. Rajshekar is a Software Architect at Sharp Software.

"We feel proud and very lucky to be part of PRUKSA SILVANA. PRUKSA is a world class developer. The journey from Enquiry to Handover is amazing. The co-operation and support that we got from Marketing, Sales, Finance and Site Engineers is totally a new exciting experience. They have great passion to deliver High Quality Villas. We really thank entire PRUKSA team for their professional Experience, Quality, Commitment, Discipline and Support."
